DATE AND CURRENCY

The date of this Information Circular is February 29, 2024. Unless otherwise stated, all amounts herein are in Canadian dollars.

SECTION 2 – PROXIES AND VOTING RIGHTS

MANAGEMENT SOLICITATION

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals’ authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out-of-pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

NOTICE-AND-ACCESS

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

APPOINTMENT OF PROXY

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of February 16, 2024 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their respective forms of proxy with the company’s registrar and transfer agent, Odyssey Trust Company by: (a) mail addressed to Odyssey Trust Company, Suite 350, 409 Granville Street, Vancouver, British Columbia, Canada V6C 1T2, Attention: Proxy Department; (b) hand delivery to Odyssey Trust Company, Suite 350, 409 Granville Street, Vancouver, British Columbia, Canada V6C 1T2; (c) by facsimile to 800-517-4553, or (d) electronically by following the instructions in the form of proxy. If you vote through the internet, you may also appoint another person to be your proxyholder. Please go to <http://login.odysseytrust.com/pxlogin> and follow the instructions. You will require your 12-digit control number found on your form of proxy.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarized certified copy thereof, must accompany the form of proxy.

REVOCATION OF PROXIES

A registered Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to Odyssey Trust Company, Suite 350, 409 Granville Street, Vancouver, BC, V6C 1T2, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned, any reconvening thereof, or (ii) to the Chair of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING OF SHARES AND PROXIES AND EXERCISE OF DISCRETION BY DESIGNATED PERSONS

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called**

for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS (NON-REGISTERED SHAREHOLDERS)

The following information is of significant importance to Shareholders who do not hold Shares in their own name (“Beneficial Shareholders”). Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Company as the registered holders of Shares) or as set out in the following disclosure.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In Canada the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited), which acts as nominee for many Canadian brokerage firms, and in the United States (the “**U.S.**”) under the name of Cede & Co. as nominee for The Depository Trust Company, which acts as depository for many U.S. brokerage firms and custodian banks.

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to firms such as Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the U.S. Broadridge mails a voting instruction form (a “**VIF**”) in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Shares to be represented at the Meeting. **If you receive a VIF from Broadridge (or such other service company) the VIF must be completed and returned to Broadridge (or such other service company), in accordance with the instructions therein, well in advance of the**

Meeting in order to have your Shares voted at the Meeting, or to have an alternate representative duly appointed to attend the Meeting and vote your Shares.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (“**BCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgement by a United States court.

The Company has adopted advance notice provisions (the "**Advance Notice Provisions**") in its constating documents. At the Meeting, Shareholder will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution to ratify, confirm and approve the existing Stock Option Plan of the Company.

The purpose of the Stock Option Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Executives, Employees and Consultants to contribute toward the long term goals of the Company, and to encourage such individuals to acquire Shares of the Company as long term investments.

The following is a summary of the material terms of the Plan:

Subject to adjustment as provided for in the Stock Option Plan, the number of Shares which will be available for purchase pursuant to Options granted pursuant to the Stock Option Plan, plus any other outstanding incentive stock options of the Company granted to a previous stock option plan or agreement, will not exceed 10% of the issued and outstanding Shares of the Company. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Share in respect of such expired or terminated Options shall again be available for the purpose of granting Options pursuant to the Stock Option Plan.

The Board will determine the price per Common Share and the number of Shares which may be allotted to each director, officer, employee and consultant and all other terms and conditions of the Stock Options, subject to the rules of the Exchange, when such Stock Options are granted. Stock Options must be exercised within 30 days of termination of employment or cessation of the option holder's position with the Issuer, subject to the expiry date of such Stock Option and certain other provisions of the Stock Option Plan. The price per Common Share set by the Board, provided that the Shares are traded on an organized trading facility, shall not be less than the closing trading price of the Shares on the last day prior to the date on which such Stock Option is granted, less the applicable discount permitted (if any) by such applicable exchange or market.

The foregoing is only a summary of the material terms of the Stock Option Plan. The full text of the Stock Option Plan is attached hereto as Schedule "A". Accordingly, Shareholders will be asked to pass an ordinary resolution, in substantially the following form, to ratify, confirm and approve the Existing Plan:

- (e) a participant's eligibility to receive further grants of RSUs under the RSU Plan ceases

as of the earliest of the date the participant resigns from or terminates its engagement with the Company or any subsidiary of the Company and the date that the Company or any subsidiary of the Company provides the participant with written notification that the participant's employment, term of office or engagement, as the case may be, is terminated, notwithstanding that such date may be prior to the termination date; and

Termination and Change of Control Benefits

The Company does not have any plan or arrangement with respect to compensation to its executive officers which would result from the resignation, retirement or any other termination of employment of the executive officers’ employment with the Company or from a change of control of the Company or a change in the executive officers’ responsibilities following a change in control.

Oversight and description of director and named executive officer compensation

Compensation of Directors

The Company does not have a compensation program other than paying consulting fees and incentive bonuses. The compensation of the executive officers is determined by the Board, based in part on recommendations from the Chief Executive Officer. The Board recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive’s level of responsibility. The objectives of the Company’s compensation policies and practices are:

- to reward individual contributions in light of the Company’s performance;
- to be competitive with the companies with whom the Company competes for talent;
- to align the interests of the executives with the interests of the shareholders; and
- to attract and retain executives who could help the Company achieve its objectives.

The objectives of management fees are to recognize market pay and acknowledge the competencies and skills of individuals. The rate established for each executive officer is intended to reflect each individual’s responsibilities, experience, prior performance and other discretionary factors deemed relevant by any compensation committee that may be formed in future. In deciding on the management fee portion of the compensation of the executive officers, major consideration is given to the fact that the Company is an early stage exploration company and does not generate any material revenue and must rely exclusively on funds raised from equity financings. In the future, the objectives of incentive bonuses in the form of cash payments will be designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. The objectives of the stock option will be to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Company. The Company has no other forms of compensation, other than payments made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company, to the best of its ability, at competitive industry rates for work of a similar nature by reputable arm’s length service providers. Actual compensation will vary based on the performance of the executives relative to the achievement of goals and the price of the Company’s securities, as well as the financial condition of the Company.

The Board evaluates individual executive performance with the goal of setting compensation at levels that it believes is comparable with executives in other companies of similar size and stage of development operating in the same industry. In connection with setting appropriate levels of compensation, members of the Board base their decisions on their general business and industry knowledge and experience and publicly available information of comparable companies while also taking into account the Company’s relative performance and strategic goals. In determining the level of compensation payable to the Company’s Chief Executive Officer, the Board will consider the following benchmark companies: Blue Lagoon Resources Inc. (CSE: BLLG); Core Assets Corp. (CSE: CC); Edgemont Gold Corp. (CSE: EDGM); and Golden Shield Resources Inc (formerly Goldblock Capital Inc.) (CSE: GSRI).

In the course of its deliberations, the Board considered the implications of the risks associated with adopting the compensation practices currently in place. The Board does not believe that its current compensation practices create a material risk that the NEOs or any employee would be encouraged to take inappropriate or excessive risks, and no such risks have been detected to date. The Board will continue to include this consideration in its deliberations and believes that it would detect actions of management and employees of the Company that constitute or would lead to inappropriate or excessive risks.

Pension disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

SECTION 7 - CORPORATE GOVERNANCE

GENERAL

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), the Company is required to disclose its corporate governance practices. Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are in the interest of its Shareholders and contribute to effective and efficient decision-making.

National Policy 58-201 - *Corporate Governance Guidelines* ("**NP 58-201**") establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices and believes the Company's corporate governance

practices are appropriate and effective for the Company given its current size.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* - mandates disclosure of corporate governance practices in Form 58-101Fs, which disclosures is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

The Board facilitates its exercise of independent judgment in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the mineral exploration industry in order to identify and manage risks. The Board responsible for monitoring the Company's senior officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the opinion of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Company's board is currently composed of five (5) directors.

The independent members of the Board of Directors are Emily Sewell and Christian de Saint-Rome. The non-independent member of the Board of Directors are Howard Milne, Steve Mathiesen and Nick Horsley.

Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

MANDATE OF THE BOARD

The Board is elected by and accountable to the Shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer's business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

Certain of the board nominees are also directors or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction) ⁽¹⁾
Howard Milne	Stearman Resources Inc. – CSE
Steve Mathiesen	Stearman Resources Inc. – CSE
Emily Sewell	Musk Metals Corp. – CSE Stearman Resources Inc. – CSE
Robert Nicholas Horsley	Tower One Wireless Corp. – CSE
Christian de Saint-Rome	N/A

NOTES:

⁽¹⁾ Information not being within our knowledge has been furnished by the respective person or has been obtained from insider reports filed by respective person and available through the Internet at the Canadian System for Electronic Disclosure by Insiders (www.sedi.ca).

ORIENTATION AND CONTINUING EDUCATION

The Board has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, legal counsel, auditors and consultants of the Company, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, and to attend related industry seminars and visit the Company's operations. Board members will have full access to the Company's records.

ETHICAL BUSINESS CONDUCT

The Board has not adopted formal guidelines to encourage and promote a culture of ethical business conduct but does promote ethical business conduct by nominating board members it considers ethical, by avoiding or minimizing conflicts of interest and by having a sufficient number of its board members independent of corporate matters.

The Board has found that the fiduciary duties placed on individual directors by governing corporate legislation and the common law, and the restrictions placed by the BCBCA, on an individual director's participation in decisions of the Board in which the director has an interest, have helped to ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of a company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, if a director of a company also serves as a director or officer of another company engaged in similar business activities to the first company, that director must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict.

NOMINATION OF DIRECTORS

The Company will not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Board will conduct reviews with regard to directors' and officers' compensation at least once a year. For information regarding the steps taken to determine compensation for the directors and executive officers, see "*Section 5 - Executive Compensation*".

The Board and each individual director are regularly assessed regarding their effectiveness and contribution. The assessment considers and takes into account: (1) in the case of the Board, its mandate; and (2) in the case of individual director, the applicable description(s), if any, as well as the competencies and skills each individual director is expected to possess.

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent Vesting provision to which such Options may have otherwise been subject. - (f) the nature of the events, if any, and the duration of the period in which any Participant's rights in respect of Common Shares acquired upon settlement of an RSU may be forfeited; and
- (g) such other terms, conditions and limitations permitted by and not inconsistent with this Plan as the Board may determine.

(4) No member of the Board (or person acting under delegated authority) nor the Company, will be liable for any action or determination taken or made in the administration, interpretation, construction or application of this Plan, any Certificate or any RSU issued pursuant to this Plan, or otherwise in any way in respect of any Participant's participation in this Plan or the holding or settlement of RSUs. To the fullest extent permitted by Applicable Law, the Company shall indemnify and save harmless, and shall advance and reimburse the expenses of, each Person made, or threatened to be made, a party to any action or proceeding in respect of the Plan by reason of the fact that such Person is or was a member of the Board or is or was a member of the committee responsible for administering and operating the Plan in respect of any claim, loss, damage or expense (including legal fees) arising therefrom.

Section 3.2 Compliance with Legislation

(1) The Plan, the terms of the issue or grant and the settlement of RSUs hereunder and the Company's obligation to sell and deliver Common Shares upon settlement of RSUs shall be subject to all Applicable Laws and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any RSU hereunder to issue or sell Common Shares in violation of such laws, rules and regulations or any condition of such approvals.

(2) No RSU shall be granted and no Common Shares issued or sold thereunder where such grant, issue or sale would require registration of the Plan or of Common Shares under the securities laws of any foreign jurisdiction and any purported grant of any RSU or issue or sale of Common Shares hereunder in violation of this provision shall be void.

(3) The Company shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Common Shares issued and sold to Participants pursuant to the settlement of RSUs may be subject to restrictions or limitations on sale or resale under Applicable Securities Laws.

(4) If Common Shares cannot be issued to a Participant upon the settlement of an RSU due to legal or regulatory restrictions, the obligation of the Company to issue such Common Shares under the Plan shall terminate, at no cost to the Company nor obligation to otherwise compensate a Participant in any way.

Section 3.3 Miscellaneous

(1) Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required Shareholder or Stock Exchange approval.

(2) Nothing contained in the Plan nor in any RSU granted hereunder shall be deemed to give any Participant any interest or title in or to any Common Shares of the Company or any rights as a Shareholder or any other legal or equitable right against the Company whatsoever other than as set forth in the Plan and pursuant to the settlement of any RSU.

(3) The Plan does not give any Participant or any employee of the Company or any of its Affiliated Companies or Controlled Companies or subsidiaries the right or obligation to continue to serve as a Consultant, director, officer or employee of, or be engaged by, as the case may be, the Company or any of its Affiliated Companies or Controlled Companies or subsidiaries. The awarding of RSUs to any Eligible Person is a matter to be determined solely in the discretion of the Board. The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its subsidiaries other than as specifically provided for in the Plan.

(4) The existence of any RSUs shall not affect in any way the right or power of the Company or its Shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

(5) No fractional Common Shares shall be issued upon the settlement of RSUs granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Common Share upon the settlement of an RSU, or from an adjustment pursuant to Section 5.3(1) such Participant shall only have the right to receive the next lowest whole number of Common Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Article 4 **RESTRICTED SHARE UNITS**

Section 4.1 Granting of RSUs

(1) Where the Board determines to grant an RSU Award to an Eligible Person under the terms and conditions applicable to such RSU Award, the Company shall deliver to the Eligible Person a Certificate, containing the terms and condition applicable to such RSU Award.

(2) On the grant of an RSU Award, the Company will credit the Participant's Account with the number of RSUs granted to such Participant under the terms of the RSU Award.

(3) The grant of an RSU Award shall entitle the Participant to the conditional right to receive for each RSU credited to the Participant's Account, at the election of the Company, either one Common Share or an amount in cash, net of applicable taxes and contributions to government sponsored plans, as determined by the Board, equal to the Market Price of one Common Share for each RSU credited to the Participant's Account on the Settlement Date, subject to the conditions set out in the Certificate and in the Plan, and subject to all other terms of this Plan.

(4) An Eligible Person may receive an RSU Award on more than one occasion under the Plan and may receive separate RSU Awards on any one occasion.

(5) RSUs granted under this Plan to an Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or an Affiliate, as the case may be, in the fiscal year ending in, coincident with or before such calendar year, subject to any other determination by the Company.

Section 4.2 Dividends

- (1) Unless the Board determines otherwise, additional RSUs (“**Dividend RSUs**”) will be credited to a Participant’s Account where the Company declares and pays a dividend on Common Shares. The number of Dividend RSUs credited to a Participant’s Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had they been holding such number of Shares equal to the number of RSUs credited to the Participant’s Account on the date on which cash dividends are paid on the Common Shares and the Market Price of the Common Shares on the payment date.
- (2) Dividend RSUs credited to a Participant’s Account shall vest and be settled in the same manner and on the same date as the RSUs to which they relate.

Section 4.3 Settlement of Restricted Share Units

- (1) Subject to the provisions of the Plan and in particular Section 4.4 and Section 5.2 and any vesting limitations imposed by the Board in its sole unfettered discretion at the time of grant, RSUs subject to an RSU Award may be settled by a Participant during the Settlement Period applicable to the RSU by delivery to the Company of a notice (the “**Settlement Notice**”) in a form attached to the Certificate. As soon as practicable following the receipt of the Settlement Notice, RSUs will be settled by the Company through the delivery by the Company of such number of Common Shares equal to the number of RSUs then being settled or, at the Company’s election, an amount in cash, net of applicable taxes and contributions to government sponsored plans, equal to the Market Price at the Settlement Date of one Common Share for each RSU then being settled. Where, prior to the Expiry Date, a Participant fails to elect to settle an RSU, the Participant shall be deemed to have elected to settle such RSUs on the day immediately preceding the Expiry Date.
- (2) Notwithstanding the foregoing, if the Company elects to issue Common Shares in settlement of RSUs:
 - (a) the Company may arrange for such number of the Common Shares to be sold as it deems necessary or advisable to raise an amount at least equal to its determination of such applicable taxes, with such amount being withheld by the Company; or
 - (b) the Company may elect to settle for cash such number of RSUs as it deems necessary or advisable to raise funds sufficient to cover such withholding taxes with such amount being withheld by the Company; or
 - (c) the Company may, as a condition of settlement in the form of Common Shares, require the Participant to pay the applicable taxes as determined by the Company or make such other arrangement acceptable to the Company in its discretion (if at all) as it deems necessary or advisable.
- (3) Subject to the terms of the Plan, as soon as practicable after receipt of any of the amount, undertaking or election listed in Section 4.3(2), the Company will forthwith cause the transfer agent and registrar of the Common Shares to deliver to the Participant a certificate or certificates in the name of the Participant or a statement of account, at the discretion of the Company, representing in the aggregate Common Shares issued to the Participant.
- (4) Notwithstanding any other provision of the Plan:
 - (a) no RSU shall be capable of settlement after the Expiry Date, provided, however, that if the Expiry Date in respect of an RSU falls on a date upon which such Participant is prohibited

from exercising such RSU due to a Black-Out Period or other trading restriction imposed by the Company, then the Expiry Date of such RSU shall be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Company is lifted, terminated or removed. The foregoing extension applies to all RSUs regardless of the Grant Date and shall not be considered an extension of the term thereof as otherwise referred to in the Plan. In addition, the Participant acknowledges that such as extension may result in less favourable tax consequences to the Participant than if the RSUs had been settled on the original Expiry Date;

- (b) the Settlement Period shall be automatically reduced in accordance with Section 4.4 upon the occurrence of any of the events referred to therein; and
- (c) no RSU in respect of which Shareholder approval is required under the rules of the Stock Exchange shall be settled until such time as such RSU has been so approved.

Section 4.4 Termination of Service

- (1) Except as otherwise determined by the Board:
 - (a) all RSUs held by the Participant (whether vested or unvested) shall terminate automatically on the Termination Date for any reason other than as set forth in paragraph (b) and (c) below;
 - (b) in the case of a termination of the Participant's service by reason of (A) termination by the Company or any subsidiary of the Company other than for Cause, or (B) the Participant's death or Disability, the Participant's unvested RSUs shall vest automatically as of such date, and on the earlier of the original Expiry Date and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant (or their executor or administrator, or the person or persons to whom the Participant's RSUs are transferred by will or the applicable laws of descent and distribution) will be eligible to request that the Company settle their vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
 - (c) in the case of a termination of the Participant's services by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date, and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant will be eligible to request that the Company settle their vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
 - (d) for greater certainty, where a Participant's employment, term of office or other engagement with the Company terminates by reason of termination by the Company or any subsidiary of the Company for Cause then any RSUs held by the Participant (whether unvested or vested) at the Termination Date, immediately terminate and are cancelled on the Termination Date or at a time as may be determined by the Board, in its discretion;

- (e) a Participant's eligibility to receive further grants of RSUs under this Plan ceases as of the earliest of the date the Participant resigns from or terminates its engagement with the Company or any subsidiary of the Company and the date that the Company or any subsidiary of the Company provides the Participant with written notification that the Participant's employment, term of office or engagement, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date; and
- (f) for the purposes of the Plan, a Participant shall not be deemed to have terminated service or engagement where: (i) the Participant remains in employment or office within or among the Company or any subsidiary of the Company or (ii) the Participant is on a leave of absence approved by the Board.

Section 4.5 Non-transferability of RSUs

- (1) RSUs shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.

Article 5

TERMINATION, AMENDMENTS AND ADJUSTMENTS

Section 5.1 Amendment and Termination

- (1) The Board may amend, suspend or terminate the Plan or any portion thereof at any time in accordance with applicable law, and subject to any required regulatory approval.
- (2) No such amendment, suspension or termination shall alter or impair any RSUs or any rights pursuant thereto granted previously to any Participant without the consent of such Participant.
- (3) If the Plan is terminated, the provisions of the Plan and any administrative guidelines, and other rules and regulations adopted by the Board and in force at the time of the Plan termination shall continue in effect during such time as an RSU or any rights pursuant thereto remain outstanding.
- (4) With the consent of the affected Participant, the Board may amend or modify any outstanding RSU in any manner to the extent that the Board would have had the authority to initially grant such award as so modified or amended, including without limitation, to change the date or dates as of which the RSU becomes exercisable, subject to the prior approval of the Stock Exchange where necessary.

Section 5.2 Change of Control

- (1) Notwithstanding any other provision of this Plan, in the event of an actual or potential Change of Control Event, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation.

(2) The determination of the Board in respect of any such Change of Control Event shall for the purposes of this Plan be final, conclusive and binding.

Section 5.3 Adjustments

(1) If there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the Stock Exchange where necessary, appropriate substitution or adjustment in

- (a) the number or kind of Common Shares or other securities reserved for issuance pursuant to the Plan, and
- (b) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the Plan;

provided, however, that no substitution or adjustment shall obligate the Company to issue fractional RSUs or shares. If the Company is reorganized, amalgamated with another company or consolidated, the Board shall make such provisions for the protection of the rights of Participants as the Board in its discretion deems appropriate.

(2) For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional RSUs, Common Shares or other securities of the Company will be granted to a Participant to compensate the Participant for any downward fluctuations in the Market Price of a Common Share nor will any other form of benefit, cash or otherwise, be conferred upon, or in respect of, a Participant for such a purpose.
